Appl. No. 09/888,899 Amendment/Response Reply to Final Office action of 18 July 2005

## Listing of the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

1. (Original) A method for selling lighting solutions comprising:

installing a lighting system for a customer;
measuring lumens generated from the lighting system; and
determining a customers light usage fee based on the
lumens.

- 2. (Original) The method of claim 1 wherein the lighting system comprises at least one LED.
- 3. (Original) The method of claim 1 wherein the measuring of the lumens generated by the lighting system comprises measuring the lumens by at least one photodiode.
- 4. (Original) The method of claim 1 further comprising: installing an input device to allow customer control of the lighting system.
- 5. (Original) A method for selling lighting solutions comprising:

installing a lighting system for a customer;
 measuring changes of light spectrum generated by the
lighting system; and

determining a customers light usage fee based on the changes of light spectrum.

Appl. No. 09/888,899 Amendment/Response Reply to Final Office action of 18 July 2005

- 6. (Original) The method of claim 5 wherein the lighting system comprises at least one LED.
- 7. (Original) The method of claim 5 wherein the measuring of the changes of light spectrum generated by the lighting system comprises measuring the changes of light spectrum by a photodiode.
- 8. (Original) The method of claim 5 further comprising: installing an input device to allow customer control of the lighting system.
- 9. (Original) The method of claim 1 further comprising: measuring changes of light spectrum generated by the lighting system;

determining a customers light usage fee based on the changes of light spectrum; and

installing an input device to allow customer control of the lighting system.

- 10. (Original) A lighting solutions system comprising:
  means for measuring lumen output of a lighting system; and
  means for determining a fee based on the lumen output.
- 11. (Original) The lighting solutions system of claim 10 further comprising:

means to allow customer control of the lighting system.

12. (Original) The lighting solutions system of claim 11 further comprising:

means for measuring changes in spectrum of the lighting E:\PROFESSIONAL\PhilipsAMDS2005\PHUS010297final.doc

Appl. No. 09/888,899 Amendment/Response Reply to Final Office action of 18 July 2005

system; and

means for determining a fee based on changes in spectrum.

13. (Original) The lighting solutions system of claim 12 further comprising:

means for selecting a preprogrammed pattern of light to be emitted from the lighting system;

means for measuring the use of the preprogrammed patterns of light; and

means for determining a fee based on the use of the preprogrammed patterns of light.
